7. DISCLAIMER

7. Insurance cover for the organiser

The Autoklub of the Czech Republic has concluded with Allianz pojišťovna, a.s., through PLATINUM Consulting s.r.o. a general insurance contract No. C550012623 insuring the organiser's liability for damage caused to another up to the amount of CZK 50,000,000 per event.

7. Insurance of competitors and drivers

The framework insurance policy includes insurance of the participants' liability for damage caused during the event to another, either by the participant or by the operation of his/her vehicle. The insurance does not cover damage caused to other participants of the event. The limit of indemnity per participant in the event is CZK 50,000,000 per insured event with an integral excess of CZK 5,000, i.e. damages up to CZK 5,000 will not be covered and damages above this limit will be covered in full.

7.3 Each driver must have his/her personal accident insurance, which he/she is obliged to present at the administrative acceptance (for AS ACR license holders it is sufficient to present the driver's license). The insurance of foreign participants must also cover the costs of possible medical treatment in the Czech Republic.

8. NOISE CONTROL

A limit of 100 dB applies to all cars - measured with a noise meter set to A and "SLOW", positioned at a 45° angle to the exhaust outlet and 50 cm from it at 4500 rpm.

9. PRIZES AND TROPHIES

The winners will be announced immediately after the end of the race see point 2. The drivers who placed in the first three places must attend this announcement and must be dressed in their racing overalls. Failure to attend the announcement will result in forfeiture of prize money.

10. FURTHER INFORMATION

10.1 Competitor Liaison Officer

The Drivers Liaison Officer will be identified by an orange vest with a phone number and the words Drivers Liaison Officer, his name, photo and mobile phone number will be displayed on the official notice board.

During the race, a driver liaison officer will be located in the start area and the race secretariat.

10.2. Training and information for drivers

10.2.1 One free training session of at least 90 minutes. The training run is scheduled for 4 laps. Each driver must participate at least once. Each division will start separately. Each driver must complete at least one lap in practice. If not, he/she may only start in the first qualifying heat at the discretion of the Sports Commissioners. The Joker Lap may be used during free practice.

10.2.2 Written information about the race for all drivers will be in Czech and in the language of the Special Provisions of the race (AJ or NJ) and will be handed out at the administrative check-in.

10.3 Qualification

Qualifying heats are scheduled for 4 rounds.

10.4 Semi-final and final heats

Semi-finals are scheduled for 6 rounds.

The finals are scheduled for 6 rounds.

10.5 Closed car park

No closed parking will be provided. Competitors must leave their vehicle in the race machine parking area for a minimum of 30 minutes after the preliminary results are posted.

If a black flag or a black flag with an orange target is shown during the heats, the driver must go immediately to the paddock.

10.6 Protests - Appeals

Protests must be submitted in accordance with Section 5.2 of the AS ACR Disciplinary Regulations.

All protests shall be in writing and shall be forwarded to the Chief Sports Commissioner or, in his absence, to the other SKs or the Race Director. The protest must be accompanied by the sum of 14.000 CZK. If the protest requires the dismantling and reassembly of various elements of the car, a deposit of up to CZK 250,000 is required from the protesters.

The competitors have the right to appeal, in accordance with point 5.3 of the Disciplinary Regulations of the AS ACR. The amount of the deposit in case of appeal is 26.000 CZK.

10.7 Other

10.7.1

The Kartcross division does not use the Joker lap.

10.7.2

Upon arrival at the AK RAC Sedlčany venue, each registered driver will receive 1+4 identification wristbands with a numerical code, which will be recorded in a list for later verification and identification. The wristbands will be issued progressively based on the actual arrival of team members at the venue. Additional identification wristbands for driver companions can be purchased on-site for 300 CZK per piece.

10.7.3

All participants of the race are required to wear their identification wristbands on their wrists throughout the entire race weekend. Upon request from the ticketing service or race organizers, participants must present their wristband for verification. If a participant is found without a wristband by the ticketing service or organizers, they will be required to purchase one on-site or be escorted out of the venue.

10.7.4

The use of single-track and two-track vehicles (motorcycles, quad bikes, Segways, and other motorized means of transport) as well as private drones is prohibited throughout the entire venue. The lighting and ignition of open fires are also prohibited on the premises.

10.7.5

Quiet hours are set from 11:00 PM to 06:00 AM.

10.7.6

The start area is marked with a sign reading "End of Service Zone," and entry to this area is prohibited for mechanics and other team members.

10.7.7

Any form of co-driving in racing vehicles is prohibited. This restriction does not apply to driver presentations.
